

# There Was An Old Witch

(Author unknown)

There was an old witch, believe it if you can,  
She tapped on the windows and she ran, ran, ran.  
She ran helter-skelter with her toes in the air,  
Cornstalks flying from the old witch's hair!

"Swish," goes the broomstick, "Meow," goes the cat,  
"Plop," goes the hoptoad sitting on her hat.  
"Whee," chuckled I, "What fun! What fun!"  
Halloween night when the witches run.
